

# The Hunterian's Digital Audit 2020

The Hunterian used the National Lottery Heritage Funds's [Digital Attitudes and Skills for Heritage \(DASH\) UK National Survey](#), published in October 2020, as the basis for this digital audit.

The Hunterian did not include all of the questions featured within NLHF's *DASH Survey*, within their audit. They also added in additional options to some of the multiple choice questions, to make the audit more relevant to their organisation. These additional multiple choice questions have been marked with an asterisk\*. Below is a copy of the questions asked in The Hunterian's Digital Audit.
